

# SWIM INSTRUCTOR BIOS

## JEREMY BRADLEY

I have been teaching swim lessons over 10 years at The Swimming Hole and am about to begin my 5th year as the Head Swim Coach. I enjoy swimming as a recreational sport as well as a competitive discipline. I love teaching all that I know to swimmers of all ages. When a swimmer masters a new skill, that is the best feeling in the world, and the reason I teach.

## LOUISA HAYES

I have been teaching preschoolers to swim for over 15 years. There is nothing more satisfying than to see the look of success and achievement when a child learns a new skill or overcomes a fear and discovers a new sense of confidence. I was a competitive high school swimmer and a more recent triathlete. My focus most recently has been on training lake front lifeguards and instructors. I am an advocate of water safety and truly enjoy teaching little ones to love the water.

## LAMERCIE CHAVES

Swimming is one of my favorite sports. I love teaching children the importance of the water, and how to stay safe while swimming. This is my second year of teaching lessons, and I absolutely love it! I think it's super important to have fun, but also know the safety of swimming.

## ELAINE FORTIN

While growing up on the St. Lawrence River, water awareness was a high priority and led to a lifelong love of water sports and respect for human limitations around water. My role as a Water Safety Instructor lets me teach others the joys of swimming, of feeling confident and building endurance in water. As an Adaptive Aquatics instructor, I am committed to helping each individual realize their abilities, establish and reach their goals, improve their health, fitness and self-esteem. As a mermaid swim instructor, safely teaching people the joys, both fantastical and fitness-wise, of monofin swimming. It is simply my dream job.

## NICK OLIVERI

I started swimming at a very young age and have always enjoyed sharing my passion for swimming with others. I am a former collegiate swimmer and also swam throughout high school. My athletic achievements include both high school and collegiate team records gained during my athletic career at Glastonbury, CT and Wheaton, MA, respectively. My teaching and coaching experience includes roles as assistant coach and head coach along with one-on-one coaching sessions where I focused on improving technique, efficiency and speed. I also enjoy teaching beginners and hold a national learn to swim certification. I excel in building confidence in the water and helping swimmers learn and practice new skills. I enjoy working with people of all ages and abilities and am ready to help you reach your goals in the water.

## Executive Swim Instructor
